RAVENNA'S HISTORIC DISTRICT

Welcome! Our
downtown area is
full of nostalgia,
reminiscent of a
time when Main
Street was a place
where people
would
congregate,
converse, and do
business. Come
sample a small
offering of what
we have to offer.

The City of Ravenna Merchants' Association Mission Statement reads,

"Gaining visibility, stimulating interest, supporting developing business

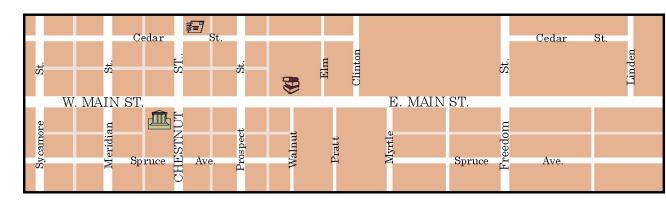

and the growth of existing business for a vibrant community."

.

As the County seat of Portage County, Ravenna is very much "Main Street, USA." Founded in 1799 and developed throughout the 1800s, Ravenna is a wonderful blend of 1800's architecture, century homes, and modern housing and industry. Whether you're looking to relocate your family, or you're looking for a new location for your business,

Ravenna is definitely worth considering. Please visit us and learn what our residents already know ... Ravenna is a great place to live, work and play.
